Ski-Lifts was established in the Portes du Soleil in 2003. Since then we've grown to offer widespread airport transfer coverage across 10 different countries throughout Europe and North America.

Using a unique combination of our own operation experience in the airport transfer industry and our close partnerships with on-the-ground ski transfer operators, we've developed a thorough understanding of the winter sports market and the needs of our passengers.

This enables us to build an unbeatable transfer product founded on our four fundamental principles:

- Reliability
- Safety
- Value for money
- Customer satisfaction

# Transfer Options

Each and every traveller has a unique requirement, with changing priorities and a differing budget for their ski trip. We offer a tailored selection of services, all built with your passenger's needs in mind:

## **Shared Transfers:**

This is the most cost effective way for individuals or small groups to travel between their arrival airport and their ski resort. Passengers pay per seat and share the vehicle with other travellers. On certain routes we offer multiple types of shared transfers, which are based on slightly different service levels or guaranteed maximum waiting times. Again, this further enhances our flexible product range.

## **Private Transfers:**

Consistently one of our most popular types of airport transfer, private transfers offer complete flexibility, comfort and efficiency to your passengers. The group has a dedicated vehicle and driver, ensuring there's no wait at the airport and guaranteeing the shortest possible transfer time.

## **Luxury Transfers:**

There's growing demand for a premium transport option to ski resorts around the world. Our luxury airport transfers are tailored to the needs of your clients and can feature top of the range Mercedes minivans, luxury limousines and the full VIP treatment. Luxury coaches are also available for group travel on many routes; we even have stretch Hummer limousines on certain routes too!

## **Coach Transfers:**

Large groups of skiers demand flexibility. To cater for this, we offer private hire coaches of various sizes, which result in the best value per person while also extending our high standards of service and levels of efficiency.

## **Bespoke Transfers:**

In addition to our extensive range of destinations and airport transfer types, we're always able to go the extra mile for our clients, offering a bespoke service to meet their needs. If you have a special requirement for a particular transfer, our knowledgeable and experienced team can build a bespoke transfer package for you. Whether you're a large tour operator or a travel agent, or if you specialise in corporate, luxury or budget travel, we'd love to discuss your unique requirements with you.
